Subject: International Journal of Climatology - Thank you for your review

10-Jan-2018

Dear Dr Vu

Re: JOC-17-0951 , Using multi-model ensembles of CMIP5 global climate models to reproduce observed monthly rainfall and temperature with machine learning methods in Australia

Your review has been received by International Journal of Climatology, thank you.

I greatly appreciate your valuable input in reviewing this paper and your feedback to the authors. When a decision has been made you will receive a copy of the decision letter including the other reviewer(s) comments.

In appreciation of your review, we are pleased to offer you a 30% discount on Wiley books. Visit <http://www.wiley.com> and use code JRREV in the promotion code field. Discount excludes major reference works.

With kind regards

Dr Tian-Jun Zhou
